

FOT/What If Team

Meeting #68, August 19, 2009, 9:00 p.m.

Family Center

Present: Karen Barker, Brian Hector, Scott Heemstra, Dave Mars, Jodi McDonough, Scott Simmelink, Dave VanDenBrink.

1. Scott H opened with prayer.
2. Scott reported on his meeting with Bryan. Difficult. Good. Bryan wants to meet with us and is reluctant to let the relationship go. He wants to know what happened and why. Much discussion. Too much water under the bridge to re-establish the relationship. We are sorry.
3. Dave VDB shared what he heard from American State Bank, Sioux Center. They will only finance churches within Sioux Center.
4. Discussion of the giving projections.
5. Meeting adjourned after talking about Michelle Obama's shorts worn to the Grand Canyon. We think the media is too desperate to find material to cover.
6. Dave M prays. We leave at 10:55 p.m.
