

OPEN MINTUES

FOT/What If Team

Meeting #72, October 22, 2009, 7:30 p.m.

Family Center

Present: Karen Barker, Brian Hector, Scott Heemstra, Dave Mars, Jodi McDonough, Scott Simmelink, Dave VanDenBrink.

1. Scott H opened the meeting with prayer.
2. Scott S will find out cost per foot of one of the pre-engineered buildings he sent around to us last week.
3. Communication with congregation and with consistory.
 - a. Have Dave VDB and financing team present to deacons the process of deciding the financing limits. They will prepare for the next consistory meeting, November 2. Scott will ask LT if this would be a good time.
 - b. Celebration of Open Doors Campaign, perhaps November 22. Brian has a message in to Joe Brands, who will come to help celebrate.
 - c. Newsletter. Much discussion about what the newsletter should contain.
 - d. Do we want to put a draft recommendation into the hands of the consistory even without all of the details? We didn't answer this question definitively.
 - e. Scott S told us about a "prospectus" he has from a church in Milford, charting the history of the church and of the building process. It would be good to see that, and Scott will look for it. Would a similar publication be good for us?
4. Scott S prayed to close. Meeting adjourned at 11:00 p.m.
